GREC Architects' new project, the Ace Hotel, has opened in the West Loop. The building preserves the existing Fulton Market landmark cheese factory façade on the south side of the building.

Jongpil Park, AIA, and **Rui Song** have joined Booth Hansen's architectural team. **Elissa Shortridge** has also joined the firm as communications manager.

ALL IMAGES ARE COURTESY OF THE FIRM, UNLESS OTHERWISE NOTED. LEED AP STATUS IS INDICATED ONLY IF REPORTED BY THE FIRM.

Construction has begun on **KTGY Architecture + Planning's** project, Annex 71. The residential project will create 140 new residences at the University of Wisconsin-Oshkosh.
